EXPERIENCE

Caraluzzi's Markets, Newtown, CT— Supervisor

November 2014 - Present

Works as a front end supervisor providing customer service, employee training and maintains front end order.

Charter Communications, Newtown, CT— Intern

February 2015 - May 2015

Interned in the Community Access Television division of Charter and completed the broadcast training program.

EDUCATION

Rochester Institute of Technology, Rochester, NY— Software Engineering

August 2016 - Present

Current Freshman enrolled in the Software Engineering program.

PROJECTS

Equipment System — Java Project

Created a Java program used to track equipment leaving and returning to a school organization.

Coralite Woodworks LLC. — Company Website

Created a company website for my family's company. Continue to maintain and update the current site as needed.

Calendar Generator — PHP Web App

A calendar generator built for the high school I attended. After it was left neglected, I rebuilt the app for use by all students and faculty.
